ABC September Deal of the Month

For Such a Time

Ed Dickerson

For Such a Time looks at 15 remarkable women and examines how the biblical authors intentionally shaped their narratives to show how their actions and outcomes parallel those of 15 well-known heroes. Clearly, these were not ordinary women. They did not fit the image of the "perfect woman." They had little in common with the "ideal woman" pictured in Proverbs 31; but they did share one crucial characteristic with that woman—initiative. They were women who did not hesitate to roll up their sleeves and play an active role in shaping their destiny—even when it meant defying convention. \$15.99 **SALE \$11.99**
