

Karl Wagner:

I am an Elder at the Glendale Church and have been an itinerate preacher in the Arizona Conference for over 25 years. My interests are in Systematic Theology with specialties in Adventist history, the books of Romans, Revelation and Daniel. I did a six-part series on Adventist history at the 2023 Arizona camp meeting, as well as multi-part series on Adventist Offshoots, Eschatology, Adventist history and its Identity and more. Living in Glendale, AZ now for over 30 years with my wife Diana, we enjoy visiting Arizona sites and spending time with family. We have two grown sons, Matthew married to Amanda and our youngest, Scott who recently passed. After retiring last year so I could spend more time in my ministry, new doors have opened. This has allowed me to teach a 16-part Zoom series on the Book of Revelation that has gotten me an invitation to do the same program by Zoom for a three-church district in Maryland.

I worked for the Conference ABC for 13 years from 2000 to 2013 before taking a job with a Water Submetering company in the Receivables Department before my retirement in August 2024, giving me more time in my personal library of over 4,000 cataloged books.
