PARADISE VALLEY SPANISH CHURCH DISTRICT

The Paradise Valley Spanish, North Valley Spanish, and Sedona Spanish churches held an evangelistic meeting they called "La Voz de la Esperanza" Caravan from November 5-13. They had a total of 10 baptisms and two professions of faith as a result. The main speaker was Elder Omar Grieve, Director of La Voz de la Esperanza and special music was Primera Fe. Praise God for these souls.

CHANDLER FIL-AM CHURCH

The Chandler Fil-Am Church has had many baptisms this year. They had the last three baptisms for the year on November 13th. They are all results of in person Bible studies.

It is the commitment of Chandler Fil-Am church members to bring many precious souls to Jesus by His grace

COTTONWOOD CHURCH

On November 20, the Cottonwood held two baptisms. Sharon began attending the church's Wednesday Bible studies in through an invitation from a friend. She later attended an evangelistic series which led her to study our beliefs more thoroughly.

William attended church off and on for quite some time. He recently decided to study the Bible more seriously with a church member and dedicated his life to Christ through baptism.

FLAGSTAFF CHURCH

The Flagstaff Church had a huge outreach early this month. The church members knocked on every home in Flagstaff and distributed the Great Controversy to those that would accept one. As a follow-up the church held a week end seminar on combating stress and anxiety with guest speaker Dr. Binus. On December 3rd they will be starting an 11 day seminar on Revelation. In addition, the church members will be holding Bible studies with the interests that they have at that point. May God bless the efforts of the Flagstaff church.

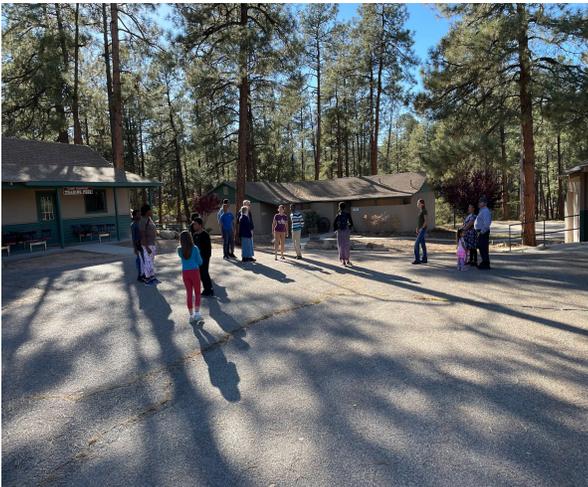

CASA GRANDE CHURCH DISTRICT

The Casa Grande, Coolidge, and Oracle churches have begun Mission 100. It is a strategy to get 100% member involvement in evangelism efforts. One of the things they have done is outreach training to go door to door. From going door to door they found 8 Bible study interests in one day. The district is now working on beginning their small group ministries.

The church district also held their first district camping trip at Camp Yavapines district , where 82 people attended from all 3 churches.

CHINLE CHURCH

Men from the Chinle Church attended the Men's Retreat at Camp Yavapines and were greatly blessed by it.

In August God answered the prayers for keeping the Chinle Adventist School open. The school year started with six students, then one was added and then they lost five. It was tempting to feel discouraged when that happened and they were truly saddened to see those children losing out on Christian education. However, God is turning even those losses into a blessing for the two remaining third graders. Miss Carrie Ames, missionary/classroom facilitator, is providing an enriched, very personalized homeschool environment for the two children every single day. Please pray for her as she pours her love for Jesus and for learning into their hearts and minds.

The Chinle church has been blessed with baptisms. Tiffany is one of those recently baptized members. Her husband, Eric, is still hesitant about "white man's religion" but has taken an interest in the church.

Diné Radio began broadcasting in August of 2020 every Sunday "The Voice of the Navajo Nation". Soon they realized that they needed to set up a Bible Correspondence School and began inviting listeners to request a Bible Course. Mae Dick recently finished her lessons and is now starting on her Prophecy lessons. Please pray for her and others who are discovering God's Word through the airwaves.
